Our Company

Be Modern Ltd was established in 1964; with 5 employees and a 5,000 square foot factory in Sunderland, equipped with second hand machinery, production began.

Almost 60 years later, the company has expanded operations to over 250,000 square feet of production and warehouse space, housing state of the art machinery, employing over 300 local people and supplying customers nationwide.

Made In Britain

All our furniture is manufactured in the UK and we are proud members of Made In Britain.

Made in Britain is "the official collective mark for British manufacturers and is registered with UKIPO across 30 product classes. The Made in Britain collective mark unites the British manufacturing sector and helps consumers; buyers and specifiers identify products that are made in Britain."

Atlanta Bathrooms are members of the BMA (Bathroom Manufacturers Association). The BMA acts as an information link between, the bathroom industry, the government and consumers on all issues that affect the industry here in the UK.

Sustainability

Forest Stewardship Council® Chain of Custody Certification
 Be Modern Ltd hold full Forest Stewardship Council® chain of custody certification; our guarantee that all timber products used in our furniture are sourced responsibly
 FSC® labelled products are made with consideration for people, wildlife and the environment.

The FSC® labels guarantee that the products are produced from controlled and recycled materials, which are harvested and replaced or allowed to regenerate naturally; certain parts of the forest are protected entirely.

Environment

Be Modern Ltd manufacture all of our furniture at our facilities in the North East of England. Processes are in place to reduce waste and increase energy efficiency throughout the plant.

Our environmental management system is certified to ISO 14001:2015 standards, outlining our commitment to continually improve our environmental performance.

Quality

The reputation of our organisation rests on the high quality of our products hence all products are inspected throughout the production process.

Our quality management system is certified to ISO 9001:2015 and covers all areas of the business from manufacturing to customer service.

Planning & Design

We design all our product with simplicity in mind, from selecting your desired look, simple planning and design, all the way through to ease of installation.

We work with industry leading planning and design partners which enable Atlanta retailers to easily tailor your perfect bathroom to you; by creating a 3D model of the finished project some even allow you to take a virtual tour.

You'll be confident you've made the right choice with Atlanta Bathrooms.

Ask your retailer for more information.

Step By Step Guide

We offer a wide range of bathroom furniture styles, finishes and sizes; perfect for maximising storage and creating a beautiful bathroom. Create a bespoke look and personalise with our collections of basins, WC's, taps, mirrors, countertops and handles.

Step 1 Choose your style & range

Select from one of our capsule furniture ranges (Accents or Classic) which can be installed as modular units or integrated together. Alternatively choose from our signature fitted range which really maximises storage, or opt for the ultimate simplicity of modular furniture.

Step 2 Choose your finish

Once you've selected the style and range you're looking for, you can choose your finish (or colour). We offer a huge selection, from muted to bold, or contemporary to the more traditional.

Step 4 Countertops, Basins & WC's

Choose your countertop, basin and WC. We offer a selection of laminate or solid-surface countertops, combined basin and tops, as well as an extensive sanitaryware collection.

Step 3 Your Units

Next select your unit options and sizes. Your retailer will be able to help with this and ensure the units are perfect for your space.

Step 5 Taps, Handles & Mirrors

Complete with handles and taps in your preferred design to add that final flourish of style.

Basin Units - Cabinets are dispatched fully assembled . Doors/drawers and top panels are packed separately and are supplied with adjustable legs and one adjustable shelf matching cabinet interior. Plain basin unit top panels offer an alternative to the routed design of shaker panels. If wall mounting basin or base units a basin and base suspension frame kit must be used.

WC Units - have a full panel design compatible with back to wall and suspended toilets. Suspension frame kits must be used in conjunction with a suspended toilet. Toilet units including a cistern are not compatible with a comfort height toilet. If using a comfort height toilet, a WC without cistern should be purchased.

J-Pull - When ordering J-Pull style base unit doors please state left or right hand when ordering.

Mirror units - supplied with H29 handles as standard.

End Panels - match to cabinet exterior (with the exception of Smoke Blue and Indigo which are matching to fascia finish on both sides. If you require a Novara end panel, please use the specific Novara end panel codes.

Plinths - match cabinet exterior and come complete with clear plastic sealing strip.

Novara 13PS/NEW is priced at £65.04 and the 20PS/NEW is priced at £87.22. Edging on gloss plinths is matt.

Prices do not include countertops handles or sanitaryware unless otherwise stated. Sizes shown are overall dimensions in mm excluding countertops.

Guarantees & Conditions

GUARANTEES

Our lifetime guarantee covers our furniture against faulty materials or manufacturing defects. This is offered provided our products have been installed and maintained in accordance with our installation and product care instructions. All products should be fitted in accordance with local by-laws and in line with good plumbing practice. Any electrical products should be installed by a qualified electrician.

Our lifetime guarantee excludes sanitaryware, handles, taps, mirrors, lights or any electrical or moving components. It does not cover normal wear and tear, which naturally and inevitably occurs during normal use.

The guarantee, which applies to the UK only, is limited to domestic use of the products and to the original homeowner. The guarantee is non-transferable between homeowners.

When installing any timber products in a bathroom environment it is important to provide adequate ventilation (such as an extractor fan). This prevents the buildup of condensation, which may be harmful to your product.

It is important that a waterproof sealant is used on all cut or raw edges and particular attention should be given to areas around the basin and bath. Failure to comply with these recommendations may invalidate your guarantee.

To activate the guarantee register online at www.atlantabathrooms.com/lifetime-guarantee. Within 60 days of purchase (otherwise a 12month statutory guarantee applies) This guarantee does not affect your statutory rights.

In the unlikely event that the product fails within the stated guarantee period, we will offer a replacement or replacement parts (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or further installation costs involved. Any guarantee claims should be made in writing to the Customer Service Department enclosing a copy of the original invoice.

Other Product Guarantees (against material and manufacturing defects)

- 15 years; Solid surface countertops (22mm countertops feature an MDF core should be sealed against water ingress, upon installation).
- 5 years; Ceramic sanitaryware and cast mineral basins, Mirrors, including those on mirrored doors,
- 2 years; Toilet seats
- 1 year; Illuminated mirrors, Electrical fittings and components, Brassware, sprung pop-up wastes and shower kits, Cisterns (note that customers will be referred to the cistern manufacturer to resolve any issues with cisterns)

GUIDELINES FOR CARE AND MAINTENANCE

FURNITURE AND MIRRORS

Wipe up spills and condensation immediately with a clean cloth. We recommend that furniture be cleaned with a damp cloth, and then dried. Avoid using cleaners or polishes that contain abrasives, solvents, acid, or ammonia.

CAST MINERAL BASINS

Clean with a damp cloth, water and soap or very mild detergent, rinse, and polish with a soft cloth. Avoid using cleaners that contain abrasives, solvents, acid, or ammonia. Do not use caustic soda or bleaches. Full care instructions are included with the washbasin.

BASIN MIXERS & BATH FILLERS

Chrome and Black finishes should be cleaned with warm water and a soft cloth, rinsed, and then dried immediately. They should then be buffed with a dry, clean, soft cloth.

ADDITIONAL INFORMATION

FURNITURE

All timber finishes are wood effects. Although great care is taken in choosing matching finishes there may be some variation due to the different materials, suppliers, batches, and manufacturing processes used. The apparent colour of finishes may also vary under different lighting conditions, especially under artificial light.

TOLERANCE/PRODUCT DIMENSIONS

Due to the nature of materials and production processes the dimensions may vary within a tolerance of +/-2mm on furniture, +/- 2% on cast mineral basins, +/-5% on ceramic products. Cast basins are designed and guaranteed to be used with hot water up to a maximum temperature of 65°C. This temperature must not be exceeded. The surfaces of ceramic products may contain imperfections. Sanitaryware may carry branding from relevant manufacturers.

INSTALLATION

It is important that a waterproof sealant is used on cut or raw edges and particular attention should be given to areas around the basin and bath.

COLOUR REPRODUCTION

Colour reproduction is as accurate as possible within the limitations of the printing process. Also note colours will vary under artificial light.

ALTERATIONS TO MATERIALS & SPECIFICATIONS

The Be Modern Group policy is one of continual improvement and development, we therefore reserve the right to alter materials and specifications without notice.

DELIVERY

The team at Be modern take pride in what we do, and the services we provide. We aim to deliver 90% of our own manufactured products direct to the retailer utilising our Be modern trained delivery team, ensuring first time and on time deliveries (subject to stock).

Our standard lead times on stocked products are order week one (by Friday 4.00pm) and the order will be delivered by close of business on week three. If you require urgent items, we do offer a 48hr carrier service (72hr on selected postcodes) on selected sized items, subject to stock. The charge for our carrier service is £15 for items less than 30kg and £55 for items over 30kg (please speak with your Be Modern sales team to obtain further details).

Our express delivery is unavailable in the following postcode areas; AB10-16, AB21-40, all IV, KW1-14, PA21-38, PH15-41 and LL58-59. Instead we offer our standard order week one, deliver week three delivery service in these areas.

DAMAGES & RETURNS

All products should be inspected upon delivery and any damages must be reported within 3 working days. Goods which are damaged may be returned to the Company providing collection authority is received (according to our conditions of sale - details available at www.atlantabathrooms.com)

Our products are sold on a supply only basis and our guarantee does not cover installation or consequential costs incurred due to any product faults or defects with our products or services.

The preauthorized return of non-faulty products that are no longer required, will be subject to a re-stocking charge, and must be returned in suitable packaging for resale.
